

# Virtual Public Meeting for SR 3007 (Fayette Street) over I-70 Bridge Replacement

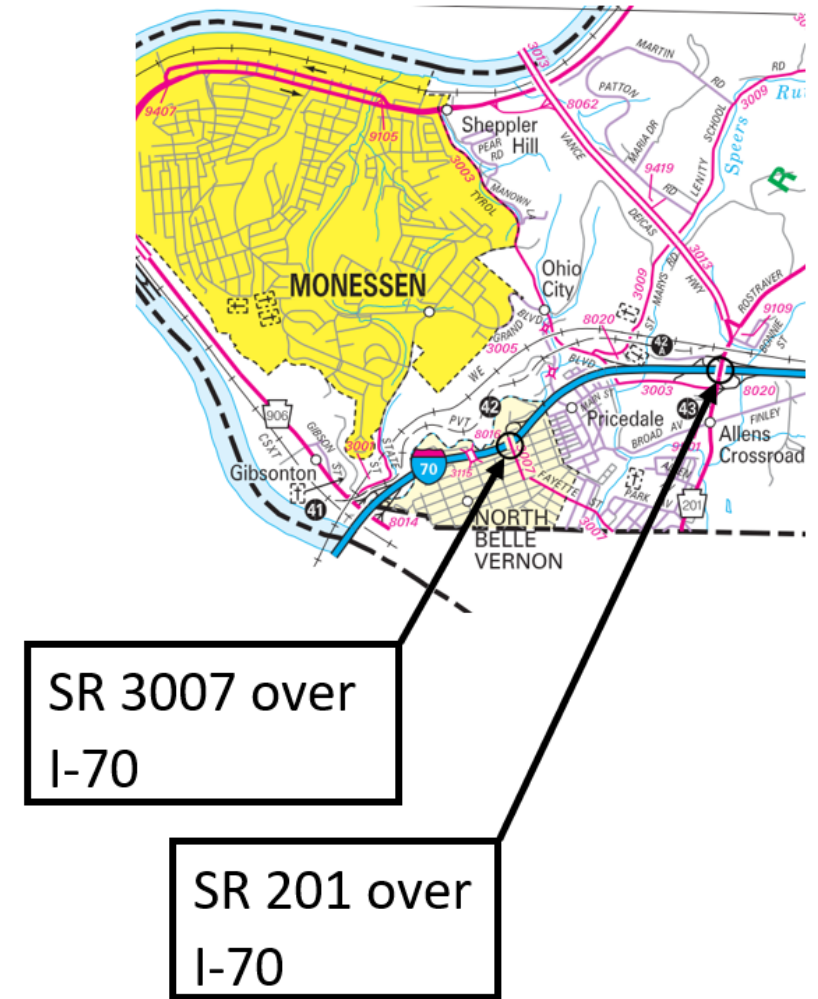

North Belle Vernon Borough  
Westmoreland County, Pennsylvania

Includes improvements to SR 201 over I-70 in Rostraver Twp.

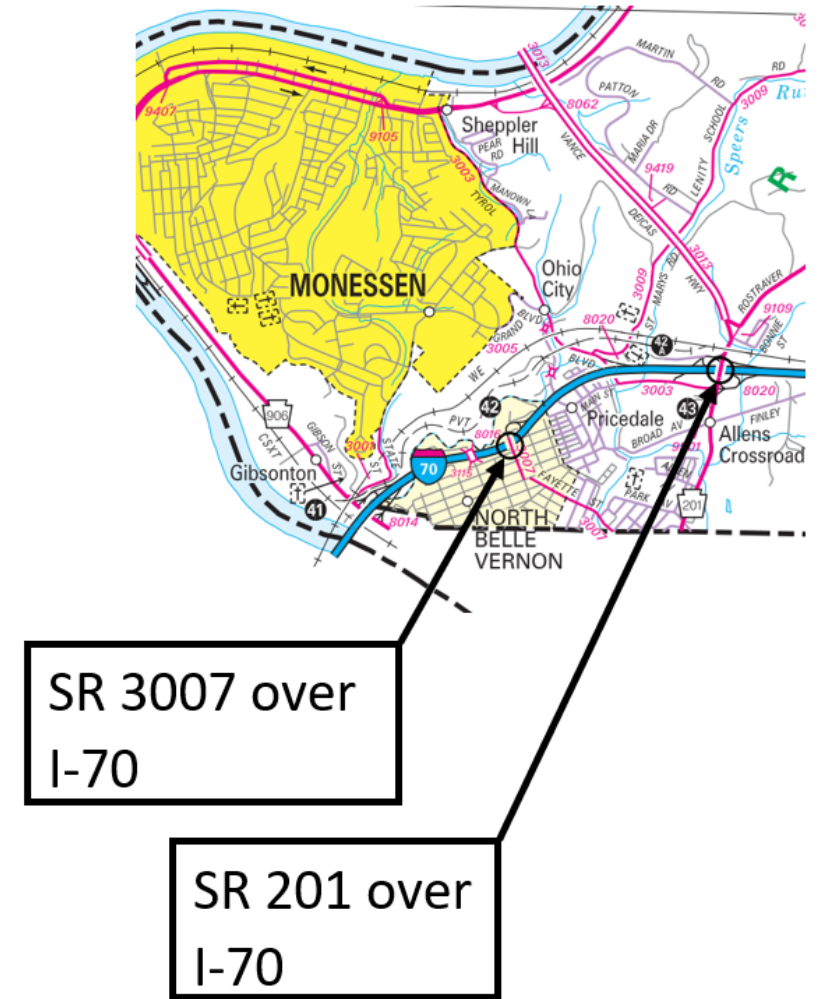

# Project Description

- Project Goals:
  - Replace the bridge carrying SR 3007 (Fayette St.) over I-70 due to structural deficiencies
  - Rehab and raise the bridge carrying SR 201 (Rostraver Rd.) over I-70
  - Improve the vertical clearance of I-70 under both bridges
  - Accommodate future widening of I-70 under SR 3007
  - Avoid major impacts to the interchange ramps and surrounding areas
- Project Scope:
  - Bridge replacement and full depth pavement reconstruction of SR 3007
  - Rehab and jack bridge carrying SR 201 over I-70, and full depth pavement reconstruction on SR 201
- Project Information:
  - Proposed SR 3007 bridge has two 12'-0" lanes with 8'-0" shoulders
  - Protective fence mounted to barriers to protect I-70 below

# Changes Since June 2021

- SR 3007:
  - Construction moved to 2022
- SR 201:
  - Extended paving limit north to railroad trestle
  - Full depth pavement reconstruction on SR 201, instead of mill and overlay
  - Traffic Control has been refined to minimize overall delays on detour routes

# Project Description – SR 3007

- Construction:
  - Summer 2022
- Traffic Control
  - A full detour is anticipated (late May 2022 until early September 2022)
  - Ramps will remain open for majority of construction
  - Weekend closures for paving I-70 EB On and Off ramps
  - Long term shoulder closure on I-70 beneath bridge
  - Access to driveways will be maintained
  - Coordination with mail delivery, refuse pickup, school buses and emergency services required
  - Adjacent businesses and residences along SR 3007 (Fayette St.):
    - Sunoco gas station
    - BP gas station – 7 Eleven – McDonalds
    - Businesses and residences north of the bridge (must use I-70 detour)
